CURRICULUM

1 White Belt

The White Belt covers the immediate fundamentals of the YCT 1 syllabus, which focuses on basic greetings, numbers, age, family, body parts, animals, and classroom items:

- Introduction to Mandarin: Mastering Pinyin sounds (the building blocks of pronunciation) and basic greetings.
- My Family & I: Talking about their name, age, and immediate family members.
- School Life: Learning vocabulary for classroom objects and basic verbs for study and play.
- Colours, Animals & Likes: Learning different colors and animals, and beginning to express simple preferences.

2 Yellow Belt

The Yellow Belt completes the YCT Level 1 requirements and successfully prepares the student for their first official certification, while also touching on early YCT Level 2 topics (like time, locations, and food):

- Pets & Possession: Expanding animal vocabulary (cat, dog, fish, bird) and asking "Whose is this?"
- Locations & Directions: Identifying specific places (like school and store), using the verb "to go," and asking "Where?"
- Dates & Birthdays: Mastering the days of the week, months, and specific dates to talk about birthdays.
- Telling Time: Asking "What time is it now?" and learning to tell time using hours and minutes.
- Food & Drink Preferences: Learning essential food vocabulary (rice, noodles, fruit) and expressing what they like to "eat" and "drink".
- Review & Certification Prep: A comprehensive vocabulary classification and revision of people, places, and animals, specifically to prepare learners to pass the YCT Level 1 certification.
